VIT-AP UNIVERSITY | School of Advanced Science (SAS)

FOREIGN GUEST LECTURE

Physics-Informed Machine Learning

- Explore the Future of AI
- Discover Advanced AI Techniques
- Learn Physics-Informed Machine Learning
- Understand Emerging Research Directions

Dr. Arup Kumar Sahoo

Postdoctoral Researcher

Autonomous Navigation and Sensor Fusion Lab (ANSFL)

University of Haifa, Israel.

28 August 2026

10.30 AM to 12.30 PM (IST)

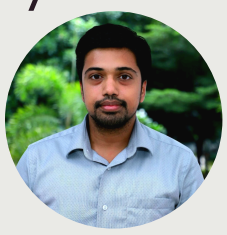

Join us for an insightful guest lecture exploring the future of Physics-Informed Machine Learning and its transformative applications in engineering and autonomous systems!
