Dear Students,

Indian Bank is committed to ensuring the safety and security of your financial transactions.
We would like to remind all our customers that using bank accounts, UPI IDs, or credit/debit cards for online gambling, betting apps, unauthorized cashback schemes, or any illegal financial activities is strictly prohibited under Indian law and RBI guidelines.

Please take note of the following important guidelines:

* **No Betting or Gambling**: Operating or transacting with illegal online betting platforms, fantasy sports apps without regulatory approval, or gambling websites is a violation of the Prevention of Money Laundering Act (PMLA) and FEMA regulations.

* **Beware of Cashback Fraud**: Do not fall for suspicious third-party cashback apps or links requesting your bank details, OTPs, or UPI PINs. Fraudsters often use deceptive cashback offers to gain unauthorized access to accounts.

* **Account Safety:** **Never** share your bank account ,internet banking credentials, card details, CVV, OTP, or UPI PIN with anyone, including individuals claiming to represent Indian Bank.

Recenly we observed that some of the students are giving their bank account to unknown persons/friends/relatives for some illigal activities or for some cash back offers, kindly do not share your bank account with any other person including friends and family members for using except your own purpose/education purpose

Consequences of Non-Compliance: **********

Accounts found to be involved in betting, illegal cashback schemes, or unauthorized third-party activities are subject to immediate freezing, termination of banking services, and reporting to legal enforcement authorities.

If you notice any suspicious activity or believe your account has been compromised, please report it immediately by calling our customer care toll-free number at 1800 425 00000 or emailing us at support@indianbank.co.in.
Thank you for your cooperation in maintaining a safe banking environment.
