CIRCULAR

Sub.: Fall Semester (2026-27) Continuous Assessment Test - 1

The **Continuous Assessment Test - 1 (CAT-1)** for the courses offered during the **Fall Semester (2026-27)** is scheduled from **17th – 24th August 2026** as given in the Annexure attached herewith. **These exams are conducted offline in the designated examination halls.** Students should read and follow the instructions given below.

1. Students shall report in person to the examination hall 15 minutes prior to the commencement of the examination. Students with genuine reasons for delay may be permitted to enter the examination hall within 15 minutes from the commencement of the examination, but no additional time will be granted for the delay. Under no circumstances will entry be permitted if a student arrives 15 minutes or more after the commencement of the examination. Students are permitted to leave the examination hall only after 60 minutes from the commencement of the examination, upon submitting their answer script.

2. The students who are debarred (by the Office of Dean Academics) from appearing for the CAT examination as per university attendance policy will not be permitted to take the examination.

3. All the CAT examinations (except for the soft skill courses) will be conducted in the exam halls. The examinations for soft skill courses will be conducted in computer labs the details of which will be informed by the Assistant director, soft skills.

4. Attendance for the examinations will be collected through the signature of the student on the attendance sheet provided by the invigilator.

5. **All students must carry their university-issued identity card during the examination period and present it to the invigilator for verification. If a student loses or forgets to bring their university ID card, they must pay the applicable fine at the Centre of Examinations (AB1-229) before the examination report time to obtain a temporary exam admit slip.**

Entry to the examination will not be permitted without a valid university ID card or a temporary exam admit slip.

6. Students have to sit in the allotted seat only. The details of the allotted seat will be provided in V-TOP. Students must note those details before entering the examination hall.

7. All the examinations will be conducted as per respective slots of the courses. Students attending classes for their courses in one slot are not allowed to write examinations in another slot. Students should verify the examination schedule carefully and note the date and time for their respective courses. The date and time of the examination of respective courses of the student is provided in their V-TOP login.

8. The exams are conducted in open book/open notebook/closed book type and the same information can be obtained from the Dean Academics/Concerned School Dean/Course Faculty.

9. **The important instructions regarding allowed material into the examination based on the examination type (Open book/Open notebook/Closed) is as follows**.

Material Type	**Exam Type**		
	Open Book	**Open Notebook**	**Closed Book**
Text books	Allowed	Not Allowed	Not Allowed
Hard or soft bound printed materials	Allowed	Not Allowed	Not Allowed
Handwritten notebooks in own handwriting	Allowed	Allowed	Not Allowed
Loose/stapled printed/handwritten sheets	Not Allowed	Not Allowed	Not Allowed
Photocopy of handwritten material in any form	Not Allowed	Not Allowed	Not Allowed

10. The CAT is conducted for a maximum mark of 50 for all the courses.

11. The duration of all the CAT examinations except for the soft skill courses is 90 minutes. The duration of examinations for the soft skill technical and nontechnical courses, respectively, is 75 minutes and 60 minutes.

12. **Upon commencement of the examination, students will receive a question paper and answer booklet. It is essential that all details and instructions provided at the beginning of both question paper and answer booklet are reviewed thoroughly before writing responses. Failure to adhere to these instructions may result in unintended adverse consequences, including loss of marks or potential exam disqualification.**

13. Students should bring necessary stationery items, calculators, code books etc. Borrowing any material from another student during the examination is not permitted and will be treated as examination malpractice. Students should ensure that the material that they bring does not have any prohibited information/marks/signs**.**

14. **Students are not permitted to use mobile phones.** Smart watches of any kind, programmable calculators and any electronic gadget are not allowed in the examination hall, even if they are in off-mode.

15. The access of soft skills examinations using multiple IP addresses will be treated as malpractice. It is the responsibility of the students to safeguard their examination portal login credentials.

16. No student will be given an extension of the examination period.

17. Students affected by ill-health can contact the Controller of Examinations at AB1-229 before the report time of examination. Under such conditions the examination may be conducted at the health centre/allocated place, based on the recommendations of the Resident Medical Officer at the health centre.

18. Differently-abled students who are in need of Exam Accommodations (such as scribe, extra time or any specific support) should submit their requests to the Controller of Examinations through proper channels at least 3 working days prior to the commencement of examination.

19. Strict silence should be maintained in the examination hall.

20. Students should not get involved in any unfair or dishonest practice during the examination. If they try to cheat or break the above-mentioned instructions, it will invite appropriate sanctions under malpractice and all malpractice cases will be handed over to the University Disciplinary Committee (UDC).

21. Students booked under malpractice are required to provide a written response to the allegation. Any evidence, including devices or materials, will be confiscated, and students must adhere to the instructions given by the Controller of Examinations. Additionally, students must fully cooperate with the invigilators, examination squads, and authorities during the process of registering the malpractice case. Non-cooperation will be considered an act of indiscipline and may lead to separate disciplinary action.
